

DEPARTMENT OF FINANCE BILL ANALYSIS

AMENDMENT DATE: January 14, 2010
POSITION: Oppose

BILL NUMBER: AB 1204
AUTHOR: A. Huber

BILL SUMMARY: El Dorado County Transportation Commission

This bill would revise the composition of the El Dorado County Transportation Commission (EDCTC). More specifically, this bill would increase the number of members appointed by the El Dorado County Board of Supervisors from three to four and would specify that the city council of each incorporated city within the county, excluding cities in the Tahoe Basin, appoint two members to serve on the EDCTC.

FISCAL SUMMARY

This bill could result in a potentially reimbursable mandate to the state, by imposing additional duties on local agencies to appoint members to the EDCTC.

Although the EDCTC created a 14 member Citizens Advisory Committee to examine the composition of the commission and voted unanimously to recommend this bill be amended with the current language, without a letter of sponsorship from the County of El Dorado and City of Placerville, there is a potentially reimbursable mandate.

COMMENTS

The Department of Finance is opposed to this bill because it could result in a potentially reimbursable mandate, resulting in additional costs to the state.

Existing law provides that the EDCTC is composed of six members, with three members appointed by the El Dorado County Board of Supervisors and three members appointed by the city council of the City of Placerville. This bill would revise the membership of the EDCTC to include four members appointed by the El Dorado County Board of Supervisors and two members appointed by the city council of each incorporated city within the county, excluding those cities in the Tahoe Basin. If there is only one incorporated city in the county, that city would appoint three members. The County of El Dorado currently has only one incorporated city outside of the Tahoe Basin, so the City of Placerville would continue to appoint three members to the EDCTC.
